I'm a speeding car
And I can't slow down
But you're standing in the way
And I just can't find the breaks
I'm a speeding car
And I can't slow down
Did you stop when you hit the ground
Did you break the speed of sound

But hey
You're gonna have to wait
Till they say it's over
Till it's all too late
And they
Will never hesitate
Just know that I
I never went too far
And I'm a speeding car

Looking out of the window
And you're caught in the headlights
You taste just like shattered glass
Coming down from the overpass
Well I'm a speeding car
Have I lost control, oh no
Am I just what you're looking for
Coming in through the open door

Well hey
You're gonna have to wait
Till they say it's over
Till it's all too late
And they
Will never hesitate
Just know that I
I never went too far
And I'm a speeding car

But hey
You're gonna have to wait
Till they say it's over

Till it's all too late
And they
Will never hesitate
Just know that I
I never went too far
I never went too far
And I'm a speeding car
