"Who Sold Her Out"

If you see my girlfriend cry,
Just keep walking pass her by.
Cos I'm not allowed to talk to her,
Cause who sold her out, Yeah we sold her out!
Who sold her out? Yeah we sold her out!
If you see my girlfriend stop,
Just don't tell her I forgot.
Cause I'm not the one to let her know,
Cause who sold her out, Yeah we sold her out!
Who sold her out? Yeah we sold her out!
I know what is right for you and me.
We're kissing in the street, and nothing's for free.
I know what is right for you and me.
There's nothing here to see, I hope its for free.
If you see my girlfriend round,
Just don't go and let her down.
Cause i'm not the one to let her know,
Cause who sold her out, Yeah we sold her out!
Who sold her out? Yeah we sold her out!
I know what is right for you and me.
We are kissing in the street, and nothing's for free.

I know what is right for you and me.

There's nothing here to see, I hope its for free.

I know what is right for you and me.

We're kissing in the street, and nothing's for free.

I know what is right for you and me.

There's nothing here to see, I hope its for free.

Who sold her out? Yeah we sold her out!

Who sold her out? Yeah we sold her out!

Who sold her out? Yeah we sold her out!

Who sold her out? Yeah we sold her out!

Who sold her out? Yeah we sold her out!

Who sold her out? Yeah we sold her out, sold her out,
sold her out
