"Love Strikes"

I've been waiting for you to call me, been waiting for
the time of my life?
I just know I'm so lonely here without you...
I've been needing the truth to enlight me, been waiting
in vain or in lies?
I just know I'm so lonely here without you...
And I'm ready to play now, love strikes, calling me back
again
I'm ready to play now.. (here we go)
Now I won't be waiting for you to to call me, not waiting
for the rest of my life
I must let go of these feelings and make it without you
Now I won't be letting the doubt in to stall me, I just have
to get on with my life
And hopefully soon I won't be thinkin' about you
'Cause I'm ready to play now, love strikes, calling me
back again
I'm ready to play now.. (here we go)
'Cause I'm ready to play now, love strikes, calling me
back again
I'm ready to play now.. (here we go)
Dying here without you.. x 3
Think I was looking for trouble
Think I was looking for home in a foreign land
Think I was caught in a bubble
Now I think it's time to reach the right hand
And I'm ready to play now, love strikes, calling me back
again
I'm ready to play now..(here we go)
here we go
Cause I'm ready to play now, love strikes, calling me
back again
I'm ready to play now..(here we go)
Cause I'm ready to play now, love strikes, calling me
back again
I'm ready to play now.. (here we go)
