Feeling so
Hungry now
And it grows

Until dawn
When we're fed
By our master
In the shed
And he does
'Til we're dead
Because he knows
We got something he really needs
So

Tokyo
Lights make you believe
In the man

But he knows
When you wake
There'll be sorrow
And he'll take
Care of you
He also knows
You got something he really needs
So

Something up his sleeve

But he knows
When you wake
There'll be sorrow
And he'll take
Care of you
Because he knows
We got something he really needs
Until dawn
When we're fed
By our master
In the shed

And he does
'Til we're dead
Because he knows
We got something he really needs
So
