I see trouble ahead, I don't know a place where I can
rest my head
And I'm so tired, all this violence wears me out
Nothing's getting better I dread, it's an obvious case
where someone ends up dead
And I'm so tired, all this violence wears me out
Wherever I'll go, wherever I'll be, there's violence in
me, ey ey!
I always seem to end up behind enemy lines
Wherever I'll go, wherever I'll be, there's violence in me
I always seem to end up behind enemy lines
I do have a devil inside, and what's been done can
never be denied
But I'm so tired, all this violence wears me out
I struggle every day and I strive, to keep them away so
I can stay alive
I'm so tired, all this violence wears me out
Wherever I'll go, wherever I'll be, there's violence in me
It's a place for dreamin' so it seems
It's a place for screamin' so it seems
It's a place for dreamin' so it seems to be
The only way we can do this thing again
Wherever I'll go, wherever I'll be, there's violence in me
