Oh, RedOne  
Esmee

I've g-g-got to turn on ya  
From the minute I saw  
That style and your swagger  
You're so predictable

Trust me, I already know  
Inside you're just a man, oh  
I don't need no more  
You're so predictable

Got on my white glove and my criminal kit  
You'll be surprise, how I got you down  
Even got your fingerprints

Trust me I already know  
Inside you're just a man, oh  
Known about you for a while  
Baby 'cause I've got your file

Predictable  
Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,  
I'm a double-0 7 on you  
Predictable,  
Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,  
I'm double-0 7 on you

Put you on lockdown  
Gonna be quarantine  
I've got a few questions  
And they need some answering  
You don't even wanna know

What I got on you cause whoa  
Baby, you're just a man, oh  
I don't mess with your men

Heard about your girl  
Back at home from your friends  
You'll be surprise how I got you down  
Even though you still pretend

Trust me I already know  
Inside you're just a man, oh  
Known about you for a while  
Baby 'cause I've got your file

Predictable  
Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,

I'm a double-0 7 on you

Predictable  
Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,  
I'm double-0 7 on you

Other girls just keep on guessing  
No, I'm a double-O 7  
Gimme that,  
Gimme that (Don't)  
Don't give me that, no (Don't)  
Other girls just keep on guessing  
No, I'm a double-O 7  
Gimme that,  
Gimme that (Don't)  
Don't give me that, no (Don't)

Predictable  
Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,  
I'm a double-0 7 on you

Predictable

Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,  
I'm a double-0 7 on you

Predictable  
Predictable  
'Cause you know I've got the five on you

Predictable,  
Predictable,  
I'm a double-0 7 on you  
Gimme that,  
Gimme that (don't)  
Predictable  
Gimme that,  
Gimme that (don't)  
Ooh- oh  
Double-0 7 on you  
Gimme that, (Ooh)  
Gimme that (don't)  
Double-0 7 on you  
Gimme that,  
Gimme that (don't)  
Ooh  
Predictable  
Double-0 7 seven on you
