Verse 1:

Back when I was a child
Before life removed all the innocence
My father would lift me high
And dance with my mother and me and then
Spend me around till I fell asleep
Then up the stairs he would carry me
And I knew for sure I was loved

Chorus:

If I could get another chance
Another walk, another dance with him
I'd play a song that would never ever end
How I'd love love love to dance with my father again

Verse 2:

When I and my mother would disagree
To get my way I would run from her to him
He'd make me laugh just to comfort me(yeah, yeah)
Then finally make me do just what my momma said
Later that night, when I was asleep

He left a dollar under my sheet
Never dreamed that he would be gone from me

Chorus:

If I could steal
One final glance
One final step
One final dance with him
I'd play a song that would never ever end
Cause I'd love love love to dance with my father again

Verse 3:

Sometimes I'd listen outside her door
I'd hear how my mother cried for him
(2x) I'd pray for her even more than me

I know I'm praying for much too much
But could you send back the only man she loved
I know you don't do it usually
But dear Lord she' s dying to dance with my father

again

Every night I fall asleep
And this is all I ever dream.
