Yeah, c'mon
You wanna get carried away on the ways of freedom
now get ready, it's that time of the year
don't wanna loose yourself and give into temptation
who cares, who's gonna know
We're dangerous, delirious
acting like we're famous
tell all the boys we're messing about
little readers, talking to town
driving to city with the top down
everything is better when the sun's out x2
You can't tell us nothing, no
it's summer cause we say so
there's no trouble in paradise
now we got the whole world singing, shout it out
we got that crazy, that sexy, that beautiful
we got that young, that fullest, that freaky love
can you hear the beat of the wild heart x2
we got that sugar sweet, innocent, naughty but
confident
everybody here is a 10 out of 10
don't walk and stay to end
driving to the city with the top down
everything is better when the sun's out x2
You can't tell us nothing, no
it's summer cause we say so
there's no trouble in paradise
now we got the whole world singing, shout it out
we got that crazy, that sexy, that beautiful
we got that young, that fullest, that freaky love
can you hear the beat of the wild heart x2
It's summer cause we say so
from the beat tweet take it to the dance floor
now listen on, can you hear the wild heart?
we got that crazy, that sexy, that beautiful
we got that young, that fullest, that freaky love
can you hear the beat of the wild heart x2
we got that crazy, that sexy, that beautiful
we got that young, that fullest, that freaky love
can you hear the beat of the wild heart x2
