Hands over my head
Thinking what else could go wrong...
Would of stayed in bed
How can the day be so long?

Never believed that things happen for a reason....
But how this turned out removed all my doubts
so believeeee
that for you I'd do it all over again.
(do it all over again)
all I went through led me to you
so I'd do it all over again ...
for you,
for you,
for you.

I missed the first train stood out in the rain all day.
Little did I know,
When I caught the next train
There you were to sweep me way.
Guess that's what I waited for

Never believed that things happen for a reason...
But how this turned out removed all my doubts
So believe
That for you I'd do it all over again.
(do it all over again)
All I went through led me to you
So I'd do it all over again ...

Who ever thought a day gone so wrong would turn out
so lovely?

Yeah I'm so glad I found you!
Even though the day went so wrong,
I wouldn't change a thing!

I'd do it all over again (Yeah yeah yeah)
Do it all over again
All I went through it led me to you .
so I'd do it all over again.
(I'd do it all over again)

I'd do it all over
(I'd do it all over again)
I'd do it all over
(I'd do it all over again)
I'd do it all over
(I'd do it all over again)
for you . for you .

All I went through it led me to you (to you)
I'd do it all over (I'd do it all over again)

Whoever thought a day gone so wrong, could turn out
so lovely?

Oooohhhh

Whoever thought a day gone so wrong, could turn out
so lovely?

Ohhh..
