I can't win, I can't reign  
I will never win this game  
Without you, without you

I am lost, I am vain,  
I will never be the same  
Without you, without you

I won't run, I won't fly  
I will never make it by  
Without you, without you

I can't rest, I can't fight  
All I need is you and I,  
Without you, without... You!

Oh oh oh  
You you you  
Without  
You you you  
Without you..

Can't erase, so I'll take blame  
But I can't accept that we're  
Estrange  
Without you, without you

I can't quit now, this can't be right  
I can't take one more sleep this night  
Without you, without you

I won't soar, I won't climb  
If you're not here I'm paralyzed without you, without  
you

I can't look, I'm so blind  
Lost my heart, I lost my mind without you without... You!

Oh oh oh  
You you you  
Without

You you you  
Without you..

I am lost, I am vain,  
I will never be the same  
Without you, without you, WITHOUT YOU
