You're my everything
The sun that shines above you makes the blue bird sing
The stars that twinkle way up
In the sky, tell me I'm in love.

When I kiss your lips
I feel the rolling thunder to my fingertips
And all the while my head is in a spin
Deep within I'm in love.

You're my everything
And nothing really matters
But the love you bring
You're my everything
To see you in the morning
With those big brown eyes.

You're my everything
Forever everyday I need you
Close to me
You're my everything
You'll never have to worry
Never fear for I am near.

Oh, my everything
I live upon the land
And see the sky above
I swim within her oceans
Sweet and warm
There's no storm, my love.

Chorus
When I hold you tight there's nothing
That can harm you In the lonely night
I'll come to you
And keep you safe and warm
It's so strong, my love.
