Oh my god here I go again Iâ€™m
About to get in deep
Iâ€™m completely obsessed with you and
Thatâ€™s why I lose my sleep
Can I be your shepherd can I hold the torch and light
the way
I just wanna hold you smell you have you every day
Can I have your inner secrets can I write about them in
a song
Just dont keep me hanging Iâ€™ve been hanging much
too long
Oh baby youâ€™re so cool
So beautiful I bet you rule
And youâ€™re nobodyâ€™s fool
Oh baby youâ€™re so cool
I love your white lies your spunk your grand prize
The evil in your eyes
Your smell your leviâ€™s your taste your dress size
Your see-through alibis
I follow you around all day I cling to you like Iâ€™m some
kind of tail
I sleep outside your doorstep and sometimes I even
read your mail
I watch you every weekday and I watch you sundays in
the park
Baby are you nuclear â€™cos youâ€™re glowing in the
dark
Oh baby youâ€™re so cool
So beautiful I bet you rule
And youâ€™re nobodyâ€™s fool
Oh baby youâ€™re so cool
My perversion my introversion has got me on my knees
Letâ€™s get down and explore each other so I can find
some peace
One look at you itâ€™s clear Iâ€™ve never wanted anyone
this bad
Iâ€™m pretty damn sure youâ€™re better than the best
ones that Iâ€™ve had
Youâ€™re such a trip just watching you sends shivers
down my spine
I bet youâ€™re really bad for me now I just gotta make
you mine

Oh baby you're so cool
So beautiful I bet you rule
And you're nobody's fool
Oh baby you're so cool
