Chemicals

All the food and the air and the river, streams
Been soiled by technology
Packaged in barrels delivered in cans
Liquids are seeping into the land

CHEMICALS CHEMICALS CHEMICALS CHEMICALS

Cars drive planes fly ships sail around
We shit we spit we puke and piss
Everything's dirty everything's dirty
Everything's dirty is the end in sight?

CHEMICALS CHEMICALS CHEMICALS CHEMICALS

It's dirty it's dirty (everything is dirty)
It's dirty it's dirty (everything is dirty)
Everything is dirt

In the air in the ground our medication
In trucks in trains straight to your door
Packaged in barrels delivered in cans
Liquids are seeping into the land
