Blasted by your senses
Bombarded by your images
Look me, look me in the eye

Wrapped up in your tenses
Locked into your wrenches
Look me, look me in the eye

Dilate

Blasted by your senses
Bombarded by your images
Look me, look me in the eye

Engulfed in yours
Engulfed in yours
Look me, look me in the eye

Dilate

Open wide! Open wide! Open wide! Open wide!

Blasted by your senses
Bombarded by your images
Now look me, look me in the eye

Engulfed in your in your synergy
Swallowed by your energy
Now look me, look me in the eye

Dilate
