You want to go a walking but you don't have any shoes  
Take my advice, leave them behind  
You want to go a swimming but you don't have any suit  
Take my advice, swim in the nude  
You want to go a riding but you don't have no seat  
Take my advice, stand up for your rights

You want to find fulfillment in a three dollar hit  
That might be fun, but it just ain't it

Animal, vegetable, mineral  
We are all of the latter  
Take us just for who we are  
But if you don't it doesn't matter

You want to be a skinhead but you got too much hair  
Take my advice, you'll just go square  
You want to be a rude boy but you ain't go no clothes  
Take my advice, you'll just grow old  
You want to your soul by looking to the sky  
Take my advice, just look inside

You want to find fulfillment in a three dollar hit  
That might be fun, but it just ain't it

Animal, vegetable, mineral  
We are all of the latter  
Take us just for who we are  
But if you don't it doesn't matter

It doesn't matter
