If i sing a song will you sing along
If i sing a song will you sing along
If i sing a song will you sing along
or should i just keep singing right here by myself
(ba da ba da's)
If i tell you i'm strong will you play along
If i tell you i'm strong will you play along
If i tell you i'm strong will you play along
will you see i'm as insecure as anybody else
(ba da ba da's)
If i follow along does it mean i'm alone
If i follow along does it mean i'm alone
If i follow along does it mean i'm alone
or will i keep on feeling different from everybody else
right.
(ba da ba da's)
If i sing a song, if i sing a song, will you sing along
will i just keep singing right here by myself
if i sing will you sing along
or should i just keep singing right here by myself
if i sing a song will you sing along
would you, could you, sing along
should i just keep singing right here by myself
so down so down
if i sing a song would you, could you, sing along
or should i just keep singing right here by myself
