We bombed again today and i'm so happy pulled  
another plug yeah i'm so happy wrote you in the  
headline mud you're so happy yeah i'm so happy ain't  
gonna let you bring me down to the ground and bury  
me to my knees pissed in a cup for minimum wage  
you're so happy stuffed you back inside your cage  
you're so happy pull you back at your age you're so  
happy yeah i'm so happy ain't gonna let you bring me  
down to the ground and bury me to my knees i'm  
treading on sunshine i'm treading all the time i'm so  
terrified they only said the same things that make me  
happy said to be afraid of all that makes us happy and  
they bombed again today and i'm so happy yeah i'm so  
happy ain't gonna let them bring me down to the  
ground and bury me to my knees
