(Blue Öyster Cult Cover)

Well I've opened up my veins too many times
And the poison's in my heart and in my mind
Poison's in my bloodstream, poison's in my pride
I'm after rebellion, I'll settle for lies

Is it any wonder that my mind's on fire
Imprisoned by the thoughts of what you do
Is it any wonder that the joke's an iron
And the jokes on you

Experiments that failed too many times
Transformations that were too hard to find
Poison's in my bloodstream, poison's in my pride
I'm after rebellion, I'll settle for lies

Yes I know the secrets of the iron and mind
They're trinity acts a mineral fire
Yes I know the secrets of the circuitry mind

It's a flaming wonder telepath

Well I've opened up my veins too many times
And the poison's in my heart and in my mind
Poison's in my bloodstream, poison's in my pride
I'm after rebellion, I'll settle for lies

Is it any wonder that my mind's on fire
Imprisoned by the thoughts of what you do
Is it any wonder that the joke's an iron
And the jokes on you

And the joke's on you...
