Your heart perched in a tree  
Kept from all the scene  
Woah, oh my lazy May

Careful, I'm a cloud  
Lookin' down upon it now  
Woah, oh my lazy May

When the winter comes  
You're beatin' your own drum  
Woah, oh my lazy May

Then it's summertime  
You say you're lucky to be mine  
Woah, oh my lazy May

I, I love you  
I, I love you  
Oooh my lazy May

I, I love you  
I, I love you  
Oooh my lazy May

You've never seen a rose  
More guarded than those of  
Oh, oh my lazy May

But I know what time of day  
Those thorns melt away  
Oh, oh my lazy May

I, I love you  
I, I love you  
Oooh my lazy May

I, I love you  
I, I love you  
Oooh my lazy May

Now the season ends  
You say we're better off as friends

Oh, oh my lazy May

Tryin' all you will  
I'll marry you still  
Oh, oh my lazy May
