I can be a freak
I can, I can be a freak (x10)
I can, I can be a freak, every day of every week.

This is something that I love, listen I'm about to teach
Every single girl should embrace their inner freaky
freak.

Don't be scared, don't be shy, yes you gotta let it
breathe.

I can give instructions if ya like to, like to hear me
speak.

Let me see those hand cuffs off

Let me see that leather gear

Kiss him, slap him, pull his hair

Make him yo bitch in here

He wanna see you get down low

He wanna hear you, hear you go

I can be a freak, every day of every week

How ever do you want it (How ever)

How ever do you need it (Do you need me)

How ever do you want it (Hoooooow)

How ever do you need it (Do you need me)

How ever do you want it (How ever)

How ever do you need it (Do you need me)

How ever do you want it

How ever do you... I can be a, I can be a,

I can be a freak

I can, I can be a freak (x6)

Every day of every week

F, R, E, A, K

Let me be yo freak (OKAY)

Superman lover

I'll pitch yo tent with a XL magnum under cover

She know the deal

Ass look better in a 9 inch heel

One left in my room

Like cinderella

Hand full of chicks

No better get I'll
Freak to the bone
Even if ya mom home I'm beatin' still
Killed them chicks
When I see you in the club
Better write yo will
Approach with caution
Careful how you handle my drill
Yea, and we freakin still

How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it (Hooooooooow)
How ever do you need it (Do you need me)
How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it
How ever do you... I can be a, I can be a,

I can be a freak
I can, I can be a freak (x6)
Every day of every week

He wanna hear
You say
That..
I can be a freak, every day of every week

Ha, yes they tell you so fly
Right down, right down to the shoes
Wanna spin these fellas round
Ladies this is how you do
Whip yo hair, do yo smile
Tell him this is nothing new
Take it out the box if wanna see you in the nude
He wanna see you hand cuffed out
He wanna see yo leather gear
Kiss me, slap me, pull my hair
He wanna see me smack that their
He wanna see you get down low
He wanna hear you, hear you go
I can be freak every day of every week

How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it (Hooooooooow)
How ever do you need it (Do you need me)
How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it
How ever do you... I can be a, I can be a,

I can, I can be a freak (x6)
Every day of every week
