John Legend

No other love?

No other touch?

Gimme gimme oh so much?

Turn me on turn me on

Won't you please get out of my head

Get back into my bed now,

Come kiss me, come with me?

Cause' I can't hardly sleep without you, can't stop  
thinking bout you girl?

I want you, I need you

And I'm ready for love, (I'm) ready for us to lose  
control?

Oh you know and I know that

No other love?

No other touch?

Gimme gimme oh so much

?Turn me on turn me on

No other kiss?

No one like this?

Feeling that I can't resist

?Turn me on turn me on turn me on

I had my share of lovers

But there is no other girl, your special, now let's go

Cause love I want you more than ever, want to do  
whatever now?

To keep you, I need you

And I'm ready for love, (I'm) ready for us to lose  
control?

Oh you know and I know that

No other love?

No other touch?

Gimme gimme oh so much?

Turn me on turn me on

No other kiss?

No one like this  
Feeling that I can't resist?  
Turn me on turn me on turn me on

Estelle

(I say) I say your turnin me on now-ow, say your turning  
me oh oh oh on

Say your turning me on with your smile, to your lips, to  
the words of this song ah know

I used to say I was too young, now I'm grown up

But I put you where you need that strong

Real goodie good loving

Stevie wonder said it's been so long

And Imma a give it if you need it are you ready to  
receive it

Boy I-I-I-I (wanna give you some love)

(I) I wanna give you some love and affection,

You got my attention

Duet : John Legend and Estelle

See I-I-I-I'm ready for love, (I'm) ready for us to loose  
control

Oh you know, and I know that

No other love (No other love)

No other touch? (Other touches?)

Gimme gimme oh so much

Turn me on, (turn me on) turn me on

No other kiss? (No other kiss?)

No one like this?

Feeling that I can't resist

Turn me on (turn me on) turn me on turn me on
