D'banj, don jazzy, estelle
For the ladies
We had a touchy tune
Alright d'banj
It's a full jack move
I have a confession
Don't take it personal
I have a confession so you got to listen
I have a confession
Don't take it personal
I have a confession so you got to listen
Listen:
I love my kanye west,
I love my usher baby
In non leq marriage
I like my tinie tempah
Not on this planet
I like my english boys,
I like jamaicans
I like american boys, the get up quicker
But nothing can compare
To the misty mist round here
I love my african boys
No matter where they're from
They get their wanted
Oliver oliver oliver twist
Oliver oliver oliver twist
Oliver oliver oliver twist
I got a secret,
I gotta show it
I gotta let it out
Then gon call me freaky
I like to do it,
Duty dum-tum-tum-tum
I know they care at all,
Cause I'll live my life
You like it too, aha
You like for see me while
You love the way I dress
From my foot up to my head
I thought as much you know
I do not blame you tho

I am too young to sit here worrying for nothing
Let's go
Oliver oliver oliver twist
Oliver oliver oliver twist
Oliver oliver oliver twist
