This is the life and we live this to the fullest  
Do whatever we like

They said that all I had to do was rap rap and rap again  
Go ahead and get buh buh back to black again  
Back to the future back to all that again  
1980's stuff oh yeah all of that again  
So here I go now I'm talking my stuff  
Talking bout your shoe game and I'm a call your bluff  
Talking bout your style then and I'm a pull you up  
Just tossing out the talk when you ain't got none  
Questions of [?] L.A. to Chicago  
Fly is just fly even if you ain't a model  
[?] and some [?] and you known for the bullshit  
Keep it really real cause this is

The life and we live this to the fullest  
Do whatever we like cause we young and we are foolish  
So this one's for London yeah yeah  
Wherever you came from yeah yeah  
And this one's for Brooklyn yeah yeah  
Then back but there ain't no tomorrow to come

They say I'm ever so clean to the point that she stank  
So I said I would do a whole song of [?]  
Stuck on the beat like Ye's on the track  
Wack songs kinda [?] and I'm a [?]  
I'm a say whatever I like cause that's me  
You could take your opinions and eat cheese  
Check me on 1 I'm not of the moment  
I am a [?] I live at the MoMA  
She going to far now get up to par now  
Tiny with a temper I'm a get till I pass out  
I wanna see who's really getting their clown on  
So I'm a keep it this this real from now on

This is the life and we live this to the fullest  
Do whatever we like cause we young and we are foolish  
So this one's for London yeah yeah  
Wherever you came from yeah yeah  
And this one's for Brooklyn yeah yeah  
Then back but there ain't no tomorrow to come

Now I been [?] should get you off your back  
Do you be free cause I'm me that's that

This one's for London this ones for England  
DC Miami L.A. to Beijing  
Russia to Rio Paris to Kingston

This is the life and we live this to the fullest  
Do whatever we like cause we young and we are foolish  
So this one's for London yeah yeah  
Wherever you came from yeah yeah  
And this one's for Brooklyn yeah yeah  
Then back but there ain't no tomorrow to come
