(chorus)

my loves on overload,  
dont mean to boast but a kiss would make you  
overdose.  
hold me tight, hold me close, turn out the lights,  
knock you out, boy your comatosed  
boy your rockin with the most, estelle take you on a ride

like a rollercoaster.  
I heat it up like a toaster, boy bring your body over, I  
know what to do,  
lay it down put the zoom zoom on you, you tryna play it

you know you want it true like a baby do, come on,  
boy am through with you, get your shoes on cuz am  
using you  
because its so special all you get to get is just a touch.
