Wake up, wake up, wake up, wake up  
Wake up, wake up, wake up, wake up  
The sun is a rising, and you touch me baby  
You can frown if you like, I know when you're ready  
for me  
Your body don't lie, oh,  
Greater than a fire  
All day and night, I'm gonna do your, do your body  
right

Chorus:

Wake up, A...  
We can do whatever you like in the morning  
I'm all yours, we can do whatever you like  
Grab my body, come, and oh, oh, oh, oh  
We'll can do whatever you like  
Grab my body, come, and oh, oh, oh, oh

Grab my body, come, and oh, oh, oh, oh
