Chorus:

It's all in the past, it hurts too much to bring it up
One thing that almost broke us up
It's all in the past, no I don't wanna talk about it
It's all in the past, yeah, yeah, yeah

Verse 1:

I don't wanna never hear her name no more for the
rest of my life
I don't wanna ever see her face again for the rest of
my life
I don't even wanna talk about it, we done work it out
Ain't no need to bring it up cause it's all in the past

Pre-chorus:

And I tried to forgive you and it seems to be working
My heart feels so better, it's no longer working
So there's no need to unbury worry
It's all in the past, let's leave it all in the past
Woah

Chorus:

It's all in the past, it hurts too much to bring it up
One thing that almost broke us up
It's all in the past, no I don't wanna talk about it
It's all in the past, yeah, yeah, yeah

Verse 2:

Everyday I try to feel the same for you
But as hard as I try, I can't let go and feel the same
for you
Can't cover my eyes
And when you wanna talk about it, we just fight about it
And it feels like you're diggin' up the pain leave it all
in the past

Pre-chorus:

And I tried to forgive you and it seems to be working
My heart feels so better, it's no longer working
So there's no need to unbury worry
It's all in the past, let's leave it all in the past

Woah

Chorus:

It's all in the past, it hurts too much to bring it up
One thing that almost broke us up
It's all in the Past, no I don't wanna talk about it
It's all in the past, yeah, yeah, yeah
