Diamond, diamond
Shining, shining
Ooh boy
You so fine
Gotta be the finest thing
That I seen in my life
I will pay whatever
Just to get a better view
And if you like the way I'm talking
Come and be my boo

Pre Chorus:
Be my boo, be my boo
Be my sweetie
Be my honey tonight
Be my boo, be my boo
Be my sweetie
Be my honey tonight

Chorus:
'Cause you're beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop-drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
You're some kind of fine

Girl, you know
You're beautiful
I know you heard it before
Girl I know
You broke the mold

These girls can't even come close
Clo clo clo close
These girls can't even come close
Clo clo clo close
You're some kind of fine

Your booty blinding with my shade to cover up my eyes
Whoever said that beauty on the inside is a liar
'Cause what I'm staring at right now
Will make a grown man cry
From the way you're looking at me
It must be cold outside

Pre Chorus:
Girl be my boo, be my boo
Be my honey tonight
Be my boo, be my boo
Be my sweetie
Be my honey tonight

Chorus:
'Cause, you're beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop-drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
Beautiful
(Drop dead)
You're some kind of fine

Girl, you know
You're beautiful
I know you heard it before
Girl I know
You broke the mold
These girls can't even come close
Clo clo clo close
These girls can't even come close
Clo clo clo close
You're some kind of fine

2 x
Girl girl
Look at you

I wanna get, get, get next to you
Girl girl
Look at you
I wanna get, get, get next to you

[Chorus:]
You're some kind of fine
