"Fair"

Visit "[Fair](#)" on [MotoLyrics.com](#)

I keep trying, trying to go
On my way but I'm walking too slow
Cause I really know I wanna stay here
And I know the best place ain't here with you
Only sad days when I'm near you
And I don't need that kind of pain anymore
But I don't wanna be the one who give up
Every time the road gets tougher
I wanna see if I can hang in there
Cause it just ain't fair, how I feel, do believe
That we can make up, don't wanna breakup
So unfair, how I don't want you to leave
Why do I keep holding on when I know I should give up?
Oh it's so hard to give it up, why it's so hard to give
it up?
Oh I've been trying to give it up, give it up
Oh I just can't give it up
I know deep down I've had enough
My heart ain't nearly strong enough
Why do I keep holding on when I know I should give up?
I keep fighting, blow after blow
In this ring of love (?)
It's all that ever happened in the end
But I tell myself that it's gon' get better
Lying to myself, it never gets better, never better
In this love
Cause I don't wanna be the one who give up
Every time the road gets rougher
I wanna see if I can hang in there
Cause it just ain't fair, how I feel, do believe
That we can make up, don't wanna breakup
So unfair, how I don't want you to leave
Why do I keep holding on when I know I should give up?
Oh it's so hard to give it up, why it's so hard to give
it up?
Oh I've been trying to give it up, give it up
Oh I just can't give it up
I know deep down I've had enough
My heart ain't nearly strong enough
Why do I keep holding on when I know I should give up?
(I know that I
I should give up yes I should x3

It just ain't fair how you treat me yeah)
Cause it just ain't fair, how I feel, do believe
That we can make up, don't wanna breakup
So unfair, how I don't want you to leave
Why do I keep holding on when I know I should give up?
Oh it's so hard to give it up, why it's so hard to give
it up?
Oh I've been trying to give it up, give it up
Oh I just can't give it up
I know deep down I've had enough
My heart ain't nearly strong enough
Why do I keep holding on when I know I should give up?
