Let me take you to Rio, Rio
Fly'o the ocean like an eagle
And we can chill in my gazebo
Oh, oh, oh, oh, oh, na, na, na

Let me take you to Rio, Rio
Fly'o the ocean like an eagle
And we can chill in my gazebo
Oh, oh, oh, oh, oh, na, na, na

All in together now, hang like the weather now
Right here, show me, now you know how to put it down
You gotta light girl, turn it on, here's mine, turn me on
You gotta wild side, let it out, Imma make you bring it
out

Shake it up fast, wind it up slow, oh
Just move your body, girl
Work it to the floor
Let your body go now, now, now, oh, oh, oh

Let me take you to Rio, Rio
Fly'o the ocean like an eagle
And we can chill in my gazebo
Oh, oh, oh, oh, oh, na, na, na

See that you liken now by the way you're dancin' now
Go ahead and make it count, move your body, make it
bounce
You gotta light girl, turn it on, here's mine, turn me on
You gotta wild side, let it out, Imma make you bring it
out

Shake it up fast, wind it up slow now
(Oh)
Just move your body girl
Work it to the floor
Let your body go now, now, now, oh, oh, oh

Let me take you to Rio, Rio
Fly'o the ocean like an eagle
And we can chill in my gazebo

Oh, oh, oh, oh, oh, na, na, na

Let me take you to Rio
Show you all around the Janeiro
Teach 'em up, now be like a drummer
Go your light shine, girl, you know you wanna

Dance, dance, dance
Girl, you know you wanna
Dance, dance, dance
Da, oh, oh, na, na, na

Let me take you to Rio, Rio
Fly'o the ocean like an eagle
And we can chill in my gazebo
Oh, oh, oh, oh, oh, na, na, na

Yeah, one more time

Let me take you to Rio, Rio
Fly'o the ocean like an eagle
And we can chill in my gazebo
Oh, oh, oh, oh, oh, na, na, na
