Oh, what what did I do
Oh, what what did I do
Oh, what what did I do
Oh, what what did I do

This is my farewell goodbye
No need to stay around and cry
Wish it had been so much more
Wish it had held more in store

I wish the stories were true
Wish that Prince Charming was too
You never made your debut
You left me longing for you

Love, why are you so mad at me
Love, why are you not talking to me
Love, why are you so mad at me
Love, (ay ay) what did I do to you
Oh, (love, love, love,)
(Ay, Ay) What did I do to you
Oh, (love, love, love,)
(Ay, Ay) What did I do to you

Seems like you just look away
Because I see your work everyday
But, in my life you won't play
A part in my destiny

I wish the stories were true
Wish that Prince Charming was too
You never made your debut
You left me longing for you
Love, why are you so mad at me
Love, why are you not talking to me
Love, why are you so mad at me
Love, (ay ay) what did I do to you
Oh, (love, love, love,)
(Ay, Ay) What did I do to you
Oh, (love, love, love,)
(Ay, Ay) What did I do to you

Oh, love did you forget about me
Love, did you forget about me
Oh, love did you forget about me
(Ay, Ay) What did I do to you
Oh loveÃfÂçâ, ÑÃ,Â!love.. Oh loveÃfÂçâ, ÑÃ,Â!
(Ay, Ay) What did I to you (2x)

Love, why are you so mad at me
Love, why are you not talking to me
Love, why are you so mad at me
Love, (ay ay) what did I do to you

Love, why are you so mad at me
Love, why are you not talking to me
Love, why are you so mad at me
Love, (ay ay)

What did I do to you
Fades out..
