Call me up, tryina get a bride on me
Talking bout we finish like you saying it's on it
I feel like staying home but I done dressed all up
Like my make up on my face

[Bridge]

No tears are falling down on this make up, nah, nah,
No tears are falling down on this break up
And now he's feeling so good he's such a joy killer
And plus I look too god damn good in this mascara

[Chorus]

My mascara, I won't let you mess up my mascara
My mascara, my mascara
My mascara, the too many hours bring me together
My mascara, won't down, run down,
Won't run down, run down, run down,
My mascara, oho, my mascara

Blowing up my phone, tryina stab me up
But I'ma let it ring, ring, ring and you can talk to my
telephone
Leave a message, cause my heart ain't home
Already know what your agenda is

[Bridge]

No tears are falling down on this make up, nah, nah,
No tears are falling down on this break up
And now he's feeling so good he's such a joy killer
And plus I look too god damn good in this mascara

[Chorus]

My mascara, I won't let you mess up my mascara
My mascara, my mascara
My mascara, the too many hours bring me together
My mascara, won't down, run down,
Won't run down, run down, run down,
My mascara, oho, my mascara

I won't let this break up break me down, down, noh
And there will be no teardrops falling down, oh

So you're loosing I win, I won't be messed

[Chorus]

My mascara, I won't let you mess up my mascara

My mascara, my mascara

My mascara, the too many hours bring me together

My mascara, won't down, run down,

Won't run down, run down, run down,

My mascara, oho, my mascara.
