doctor doctor need you bad
oh i'm in pain
doctor doctor where you at
give me something
i need your i need your love i need you loving
you got that kind of medicine that keep me coming

my body needs a hero
come and save me
something tells me you know how to save me
feeling weak! oh i need you
to come here and rescue me

make me come alive
come on and turn me on
touch me save my life
come on and turn me on
i'm too young to die
come on and turn me on
turn me on turn me on turn me on t-turn me on
make me come alive
come on and turn me on
touch me save my life
come on and turn me on
i'm too young to die
come on and turn me on
turn me on turn me on turn me on t-turn me on

ooh i'm aching make it right
my temperature is super high
if i scream make it right
it's only cause i'm feeling like

my body needs a hero
come and save me
something tells me you know how to save me
! oh i need you
to come here and rescue me
