We'll sit and talk this through
Before it gets to you
Remember the price you pay
Throwin' it all away
Whatever you do
Let it get to you
Tomorrow's a new day
Let it get in your way

[Chorus]
Everything you do
Becomes a part of you
Everything we do

Carries the sound away
Wish you were here

Nothing can ever take your face
Wait for memories of mine

[Chorus]

Nothing could ever take your face
Wait for memories of mine
Mine
Of mine
Memories of mine
