Halach hu yom echad baderech mibeer-sheva

Hagdud himshich litzod

gam ruach gam chama
aval bechanaya leilit achat nochach hu
nochach hu ki chachach lishol ota lish'ma

Hu lo yada et sh'ma
aval ota tzama
halcha imo le'orech kol haderech
vehu yada yesh yom
bo yipagshu pitom
im shachar shel tlalim o shemesh erev.

Hakayitz hasheni hechlif gonim vatzeva,
Patrol si'ur chazar milayla shel Sivan.
Miher ha'ambulas, baderech liVersheva
Vehi chikta chikta lo bechaluk lavan.

Vehu sha'al: "ha'im?" vehi amra: "zocheret"
Vekho dibru sha'ot, ish lo yeda al ma.
Ukshe halach bli shuv, vehi notra chiveret,
Zachra hi ki shachach lish'ol ota lishma.

Hu lo yada et sh'ma
aval ota tzama
halcha imo le'orech kol haderech

bo yipagshu pitom
im shachar shel tlalim o shemesh erev.
