How many arms have held you  
And hated to let you go  
How many, how many  
I wonder (I wonder)  
But I really don't want to know

How many lips have kissed you  
And set your soul aglow  
How many, how many, I wonder  
But I really don't want to know

So always make me wonder (wonder)  
Always make me guess  
(Make me guess)  
And even if I ask you  
Darling, don't confess  
(Don't confess)

Just let it remain a secret  
But, darling, I love you so  
(Love you so)  
No wonder, no wonder I wonder  
Though I really don't want to know

Though I really don't want to know
