"Singing My Song"

If I sing my song,
Then Iâ€™ll sing it sweetly.
Will I have your ear?
Early spring,
When itâ€™s Aprilâ€™s power to flower,
Would you give me a chance, Babe,
And ask me to dance, Babe?

If I hold your heart,
Then Iâ€™ll hold it sweetly
In my summer hands,
So soft and warm.
Will the cold December remember?
Would you give me a chance, Babe?
Ask me to dance, Babe?

One, two, three,
Come on and dance with me!
One, two, three,
Come on and dance with me!

Now I hold your heart
And I hold it sweetly
In my summer hands,
So soft and warm.
Will the cold December remember?
Would you give me a chance now
Ask me to dance now?
Would you ask me to dance?
Would you ask me to dance,
Ask me to dance,
Ask me to dance?
