it's so hot in here i've got sweat in my teeth fucking old
rebuilt dodge she don't like the heat roll her over el
paso heard ya'll need some streets they know me there
they know i'm joe they know the steamroll chlorophyll
carbon nitrogen oxygen but i'm so tired i can hardly
breathe but i can see for miles see for miles see for
miles when their ain't no trees i'm so tired hardly
breathe so tired hardly breathe i'm so tired hardly
breathe chlorophyll carbon nitrogen oxygen marching
on marching on marching on
