"And I Love Him"

Visit "[And I Love Him](#)" on MotoLyrics.com

I give him all my love
That's all I do
And if you saw my love
You'd love him too

I love him
He gives me everything
And tenderly
The kiss my lover brings

He brings to me and I love him
A love like ours could never die
As long as I have you near me

Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love him

Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love him
