Find me, find me in an open sky
And then wish me, wish me far from you and free
Swallow whole the love I give you, then give it back to
me
Tell me, what am I supposed to do with the mess
you've made out of me?
Dragonfly, Dragonfly

Give me, give me back my wings so I can fly
And then catch me, catch each breath right from me
when you smile
Swallow whole the love I give you, then give it back to
me
Tell me, what am I supposed to do with the mess
you've made out of me?
Dragonfly, Dragonfly
