I am the original bitch, I am the original whore  
I am the girl that you just won't admit you adore  
I am the original witch, I am the original whore  
I am the girl that you just won't admit you adore

I suppose you think that you know me now  
Yeah, I bet you've got it all figured out  
And you try and pick apart the shit that I do  
All the while the quest for fame has got you  
You're so vein, you don't even notice that corruption  
surrounds you  
You don't even notice somebody set their arms around  
you

You're just waiting for me to drown  
So no one knows that you stole my whole sound  
And yet you're grinning when I come around  
You fake ass bitch  
[2x]

I am the original bitch, I am the original whore  
I am the girl that you just won't admit you adore  
(I know, I know you love me)  
I am the original witch, I am the original whore  
I am the girl that you just won't admit you adore

How kind of you to offer what you think a woman  
should do or say  
Maybe if you weren't so self-righteous,  
You would not have such a hard time getting laid

Whatever you have to say out loud to convince yourself  
that you're right  
Oh it's just too bad you carry no conviction in your so-  
called revelations,  
Your pedantic conversations she'd no light

Oh you're just waiting for me to drown  
So no one knows that you stole my whole sound  
And yet you're grinning when I come around  
You fake ass bitch

[2x]

I am the original bitch, I am the original whore (yeah,  
yeah)

I am the girl that you just won't admit you adore  
(You know you love me)

I am the original witch (I am), I am the original whore  
(yeah, yeah)

I am the girl that you just won't admit you adore
