The sky is not fallin'
The sun is still shinin'
And all of the fishes are still in the sea
My mama's still callin'
The bills are still piling
My heart may be broken but I hold the pieces, pieces...

Had a mate to my soul, but I haven't lost all hope
It's not the end of the world...
It's just over.

Through tears I'm still smiling
My life's not decided
I can go anywhere I want to go
Your ghost is still creeping
There's more room for sleeping
I may be over you, you'll never know, know

Had a mate to my soul, but I haven't lost all hope
It's not the end of the world...
It's just over... over, over, over

Had a mate to my soul, but I haven't lost all hope
It's not the end of the world,
It's just over, over, over
