What a diff'rence a day made  
twenty four little hours

Brought the sun and the flowers  
where there used to be rain.

My yesterday was blue dear  
today I'm part of you dear

My lonely nights are thru dear  
since you said you were mine

What a diff'rence a day makes  
there's a rainbow before me

Skies above can't be stormy since that moment of bliss;  
That thrilling kiss.

It's heaven when you  
find romance on your menu.  
What a diff'rence a day made  
and the diff'rence is you.
