When a woman loves a man
Can't keep her mind on nothing else
She'd trade the world
For a good thing she's found
If he is bad, she can't see it
He can do no wrong
Turn her back on her best friend
If she puts him down

When a woman loves a man
Spend her very last dime
Trying to hold on to what she needs
She'd give up all her comforts
And sleep out in the rain
If he said that's the way
It ought to be

When a woman loves a man
I give you everything I've got
Trying to hold on
To your precious love
Baby... Baby please don't treat me bad

When a woman loves a man
Deep down in her soul
He can bring her such misery
If he is playing her for a fool
She's the last one to know
Loving eyes can never see

Yes when a woman loves a man
I now exactly how she feels
Cause baby, baby, baby

When a woman loves a man
When a woman loves a man
When a woman loves a man
When a woman, when a woman
When a woman loves a man
