Met him on Sunday
Loved him by Tuesday afternoon
Woke up on Friday
Changed my whole life to make some room

Around a quarter to two, I have remembered all my
lines
I'll say "When I think of you, you're like my favorite
song
Or that melody, that melody I love and it goes
La, da, da, da

Hopped on the metro and I make my way home
But I can't get him out of my mind
No matter just how hard I try
And if the rumors are true

Then I can look forward to some
Better days and getaways, so nice
'Cause when I am with you, you're the crescendo
To that melody, that melody I love, yeah

Have better days and getaways
'Cause everyday is a holiday with you
Have better days and getaways
'Cause everyday is a holiday with you

You've gotta let me know
I gotta know for sure
Don't leave me out in the cold
Gotta know for sure

La, la, la
La, la, la
La, la, la

When I think of you
I see better days and getaways
'Cause everyday is a holiday with you, yeah, yeah
Better days and getaways
'Cause everyday is a holiday with you, oh, ah, ah

Better days and getaways

'Cause everyday is a holiday with you, yeah, yeah,
yeah

Better days and getaways

'Cause everyday is a holiday with you, hah, ah, hah, ah

Better days and getaways

'Cause everyday is a holiday with you
