I came and saw you left the light on  
There was no one home at all  
Couldn't wait to get your clothes on  
Shouldn't come around to call on you

The taste was sweet and you delivered  
I didn't know I would feel so high  
Well, I guess we didn't have to kill her  
But don't feel so bad though

You looked her in the eye  
And I watched her cry  
And my mouth went dry  
Everyone is going to have to die sometime

My mouth is clean, my hands are dirty  
Heaven isn't on my side  
Well, if it was then, she'd have hurt me  
Didn't think this through

But I didn't have the time  
To perfect my crime  
I drank my wine  
Everything is going to be just fine

I don't know, I don't love  
I don't know anyone like me

I'm not heaven sent  
I'm not heaven sent  
But I'm broken and bent

My mouth went dry  
As I watched her cry  
Everyone has to, gets to die  
But not on my time, not on this girl's time

Fucked if it's my time  
Fucked if it's my time  
Not on my time  
This is all
