I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

Baby I don't want to break your legs but I'll do what I
gotta just to make
You stay
You know I'll hunt you down if you ever run away from
me

I gotta pocket full of medicines and a... a closet big
enough to hide you
In
So come on baby won't you come, I'm wanna count to
three... ('cause)

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

So whose the lady I just saw you with, you say it was
your sister but
You're full of sh*t
And I won't, won't hear another word of it this time... not
this time
So let me tell you what we're gonna do, be true to me
baby I'll be true to
You
Slick-ass player, cause your life is on the line, and I

don't want to let
You go ('cause)

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

Is there a problem, did I hear you right?
You say your handcuffs are a little tight?
What's wrong now, man you used to love this game

You should've listened when I told you to treat me right
Now you'll be lucky if you make it through the night
All this work for nothing baby can't you see?

Wrap your heart up in my fragile state of mind
Didn't have to end this way, but you told a lie
(And I don't want to let you... go)

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh

I don't want to let you go
I don't want to let you go
No, oh, oh, oh, oh, oh
No, oh, oh, oh, oh, oh
