(J)Hey, Boy back in the alley
With a knife in her hand
I think its that girl from the autograph stand
She looks kinda sad like she understands,
That we only doing our job,
Trying to make her happy when we play these songs,
But now the show's over
She's coming over,
Knife above her shoulder
I told you, I told you, I told you, I told you,

(E)Run for your life
(J)It was too bad when she
(E)Cuts you with a knife
(J)And leaves you
(E)Lying on the side walk
(J)With your
(E)Heart in your hands
(E)Run for your life
(J)It was too bad when she
(E)Cuts you with a knife

(J)If you see a girl with a knife riding on a bus
With my name written on her face don't
Make a fuss dont rush take time this girls dangerous
To guys like me who are on tv
Canadian celebritey's can hardly belive
That you gotta act weird when you see them on the
street
If you've seen what I've seen
Then you'd better to belive to belive me
