And if I give you what you want  
And everything you need, Honey  
Could you deliver that to me  
Could you give yourself completely to a love like this  
And all it can bring  
A picket fence, a diamond ring  
Well I really did not think so

Just say goodbye  
Goodbye  
Don't ask me why  
Don't ask me why  
I'll listen to this lull-a-by  
Don't say you'll try  
After tonight  
All that I am is this lull-a-by

If I am all that you desire  
Then why are you never, ever satisfied  
I could give the world and you'd still cry  
Your refrain again and again  
And I might stay if you would bend  
But I really did not think so

Just say goodbye  
Don't ask me why  
I'll listen to this lull-a-by  
Don't say you'll try  
Don't say you'll try  
After tonight  
Darling, I am  
All that I am is this lull-a-by  
This lull-a-by  
This lull-a-by  
This lull-a-by

Just say goodbye  
Don't ask me why  
I'll listen to this lull-a-by  
Don't say you'll try  
After tonight

All that I am  
This lull-a-by
