I'm so sick and tired of the shit on the radio  
And MTV, they only play the same thing  
No matter where I go  
I see Ashanti in the video  
I want some thing more

We are in need of a musical ReVoLuTioN!  
We are in need of....

How can you make your way through the world today  
When everybody is so angry?  
And what we HEAR affects our HEARTS...  
There's got to be a better way to communicate  
So show your LOVE not hate

We are in need of a musical ReVoLuTioN!  
(we're so tired of the same old)  
We are in need of some spiritual evolution  
(we're so tired of the same old, same old)

We are in need of love  
We are in need of love

I'm calling, calling, I'm calling out  
Calling you  
Doesn't anybody wanna do something new?

I'm calling all creators in the movement  
It's time to offer a solution to the dilution of what we  
love  
And the greats would be so disappointed  
'Cause we've sold our souls for what we don't own  
anymore...

We are in need of LOVE  
Lets start a musical ReVoLuTioN!  
(we're so tired of the same old)  
We are in need of some lyrical evolution  
(we're so tired of the same old, same old)

I'm so sick and tired of the SHIT on the radio  
And MTV they only play the same thing

No matter where I go  
I see Ashanti in the video  
I want something  
'Cause I'm sick and tired of the shit on the radio  
And MTV they only play the same thing  
No matter where I go  
I see Britney on my video screen  
I WANT SOMETHING MORE

Lets start a musical ReVoLuTioN!  
I want something more  
Lets start a musical ReVoLuTioN

Tell me why....  
A grown man can RAPE a little girl  
But we STILL hear his SHIT on the radio  
A grown-ass man can videotape a little girl  
But we still see his mug up on our video screens?

I want something more.....  
I want something.
