Well, I had a girl
And she was the best around
And I was in love
Now I'm just hangin' out

And I'm burning in the sun
And losing my mind
Hearts break in the summer time
I'm burning in the sun
And losing my mind

I thought I was a man
And I was ready to die for her
It wasn't part of the plan
What was I suppose to do
Run, run, run

I'm burning in the sun
And losing my mind
Hearts break in the summer time
I'm burning in the sun
And losing my mind

I had a girl
And she was the best around
Ya, ya, it was it part of the plan
What was I suppose to do
Run and run and run

I'm burning in the sun
And losing my mind
Hearts break in the summer time, yeah
I'm burning in the sun
And losing my mind, uh, yeah
